

**leadership journal articles free pdf**

Situational leadership theory, or the situational leadership model, is a model by Paul Hersey and Ken Blanchard, developed while working on Management of Organizational Behavior. The theory was first introduced as "life cycle theory of leadership". During the mid-1970s, life cycle theory of leadership was renamed "situational leadership model." In the late 1970s/early 1980s, the authors both ...
